

Researching your next trip is an exciting stage in your travel plans but how do you know that you will get the experience you seek, the best value for money or arrive at your destination without complications?

Booking with an ATAS accredited agent means you're in safe hands and can travel with confidence.

WHAT IS AN ATAS REGISTERED TRAVEL AGENT/MANAGER

ATAS Travel Managers have met strict standards and criteria in order to become nationally accredited. Their accreditation means they are the best in the industry, credible, well trained and professional businesses.

This means you can book your travel knowing you're in the safe hands of a trusted and reputable Travel Manager.

WHY BOOK WITH AN ATAS REGISTERED AGENT

They know how to sort through the myriad of travel information available and their industry knowledge and network means they have access to the best product suppliers to ensure that you receive the best quality travel experiences.

An accredited Travel Manager has a wealth of travel resources at their disposal, which saves you unnecessary hours of online investigation that can cause frustration.

Don't get overwhelmed, get smart and use the streamlined skills of a trained travel professional.

A Travel Manager works for their clients, not travel suppliers. Allowing an agent to do the hard yards and ground work for you, means they'll filter your options to your preferences, weed out scams, and provide the recommendations which suit you best, whilst making the most sense.

Travel Managers are a "one-stop shop." They can handle every aspect of your travel—from booking airline tickets, ground transfers, tours and activities, travel insurance, visa information and so much more. They are often cheaper especially for complicated itineraries, clarify the fine print on penalties and restrictions.

Travel Managers also offer a personal touch that is invaluable. Some Travel Managers also offer a 24-hour emergency service so you're not outsourced to an overseas call centre in the event of an emergency. A perfectly planned trip made just for you is priceless! A professional Travel Manager is trained to make your entire experience- from start to end - hassle-free.

Holidays should be stress free. You want to be able to set and forget, then enjoy when the time comes.
