Travel agents > experience you can trust

Dear Passenger

Thank you very much for choosing to join the **TRAVELACTION USA NBA Tour**. We are excited to be taking you to the **USA** for this once in a life time experience.

Please find the following information in this document:

1. Confirmation Form

Once completed please return via email to nbatour@travelaction.com.au

The confirmation form must be **completed, signed and returned** to **Travelaction** as soon as possible.

We very much appreciate your support, swift and accurate response to requests.

We would like to draw your attention to a couple of important points at this time:

1. Your spot on the February tour will be confirmed once your booking form is received. It is strongly recommended that you get your completed form in as soon as possible.
2. Your money will be held in trust by Travelaction Bendigo and cannot be used for anything other than payment to NBA Tour suppliers.
3. On the attached tour itinerary document it will list the payment schedule and the amounts due.
4. Money will be moved over to the USA as soon as it is received by Travelaction so that we do not hold onto it. This means that whatever the prevailing currency exchange rate is at that time will be the rate that we obtain for your payment.
5. Please note that late payments affect everybody, so please do your best to pay Travelaction by the due dates listed on the Itinerary.
6. Please note that all accommodation is based on twin rooms.
7. If you are travelling on an Australian passport, you are responsible for ensuring that you check and understand the visa requirements for this tour. At this time Australian residents do not require a visa for the USA; however, they are required to register on ESTA - the USA's visa waiver system - which allows the US government to check every person who is entering the United States. They can and do refuse people on this system, but this should not impact you. The link to this website is: <https://esta.cbp.dhs.gov/esta/> You will need to go to this website and fill in this information yourself. We cannot do this for you as it requires answers to personal questions. Please make sure that you do this within an appropriate time frame.
8. If we find out that the visa status has changed, we will advise you.

We look forward to welcoming you on a really unique, exciting and memorable USA NBA Tour.

With very kind regards

Ryan Pedrotti
